Program Agenda (All locations)

Registration: 6:00 PM  Dinner: 6:30 PM  CME Presentation: 7:00 PM  Adjourn: 8:30 PM

Learning Objectives

The target audience for this program is nurses, nurse practitioners and physician assistants. At the completion of this program, the participant will be able to:

- Discuss the changing epidemiology of MS from a multicultural perspective
- Define the concept of integrative medicine in the context of MS management
- Distinguish MS from disease variants, such as neuromyelitis optica, and their unique response to immunomodulatory therapies
- Discuss the use of disease-modifying drugs with complementary therapies for MS disease and symptom management
- Design integrative treatment plans that rely on partnership with the MS patient

Faculty/Funding

Jong-mi Lee
Nurse Practitioner
Stanford University MS Center
Stanford, CA

This program has been made possible through an educational grant from TEVA Neuroscience.

Accreditation

Nurses: Nursing credit is provided for this program through collaboration between ProCE, Inc. and Wild Iris Medical Education, Inc., a provider of continuing education accredited by the American Nurses Credentialing Center’s Commission on Accreditation. This activity provides 1.5 contact hours of nurse CE credit.

Physician Assistants: This program is not yet approved for CME credit. Conference organizers plan to request 1.5 hours of AAPA Category I CME credit from the Physician Assistant Review Panel. Total number of approved credits yet to be determined.

Faculty Disclosure

It is the policy of ProCE, Inc. to ensure balance, independence, objectivity and scientific rigor in all of its continuing education programs. Faculty must disclose to program participants any significant relationships with companies that manufacture or market products discussed during their presentation. Faculty conflict of interest disclosure will be announced at the beginning of the CME/CE activity. The planners of this activity have no real or perceived financial relationships to disclose.

Please note: The opinions expressed in this program should not be construed as those of the CME provider. The information and views are those of the faculty through clinical practice and knowledge of the professional literature. Portions of this program may include the use of drugs for unlabeled indications. Use of drugs outside of labeling should be considered experimental and participants are advised to consult prescribing information and professional literature.

Registration

Space is limited. Register now!

Online (preferred): www.ProCE.com  Phone: 1-800-748-7795  Fax: 1-800-733-2129

Early registration is strongly encouraged. Please register no later than 3 days prior to the program date. When registering, please indicate only one of the three specific event codes listed above.
